

# eBook Magic

This is where the magic happens!

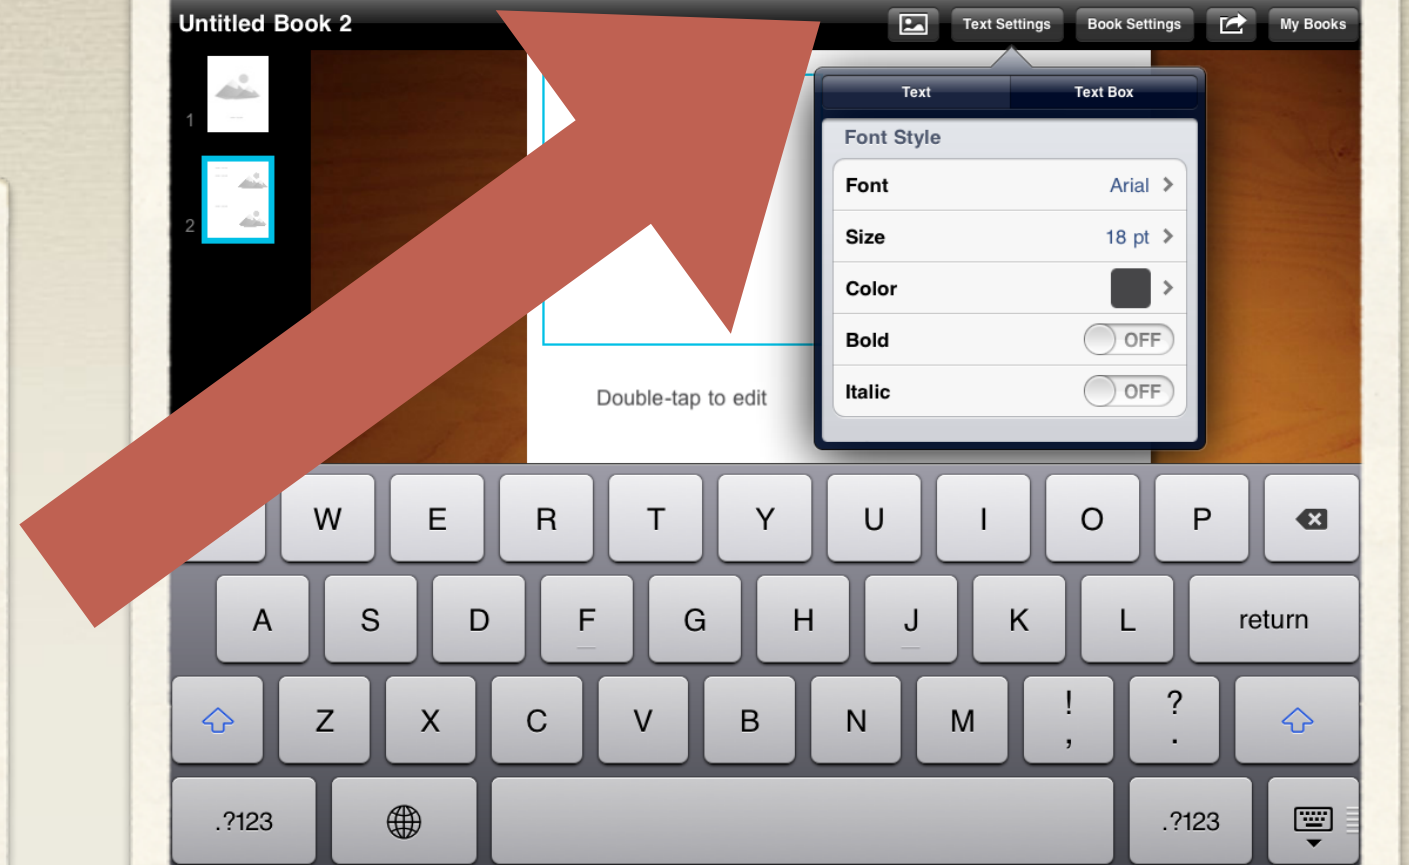

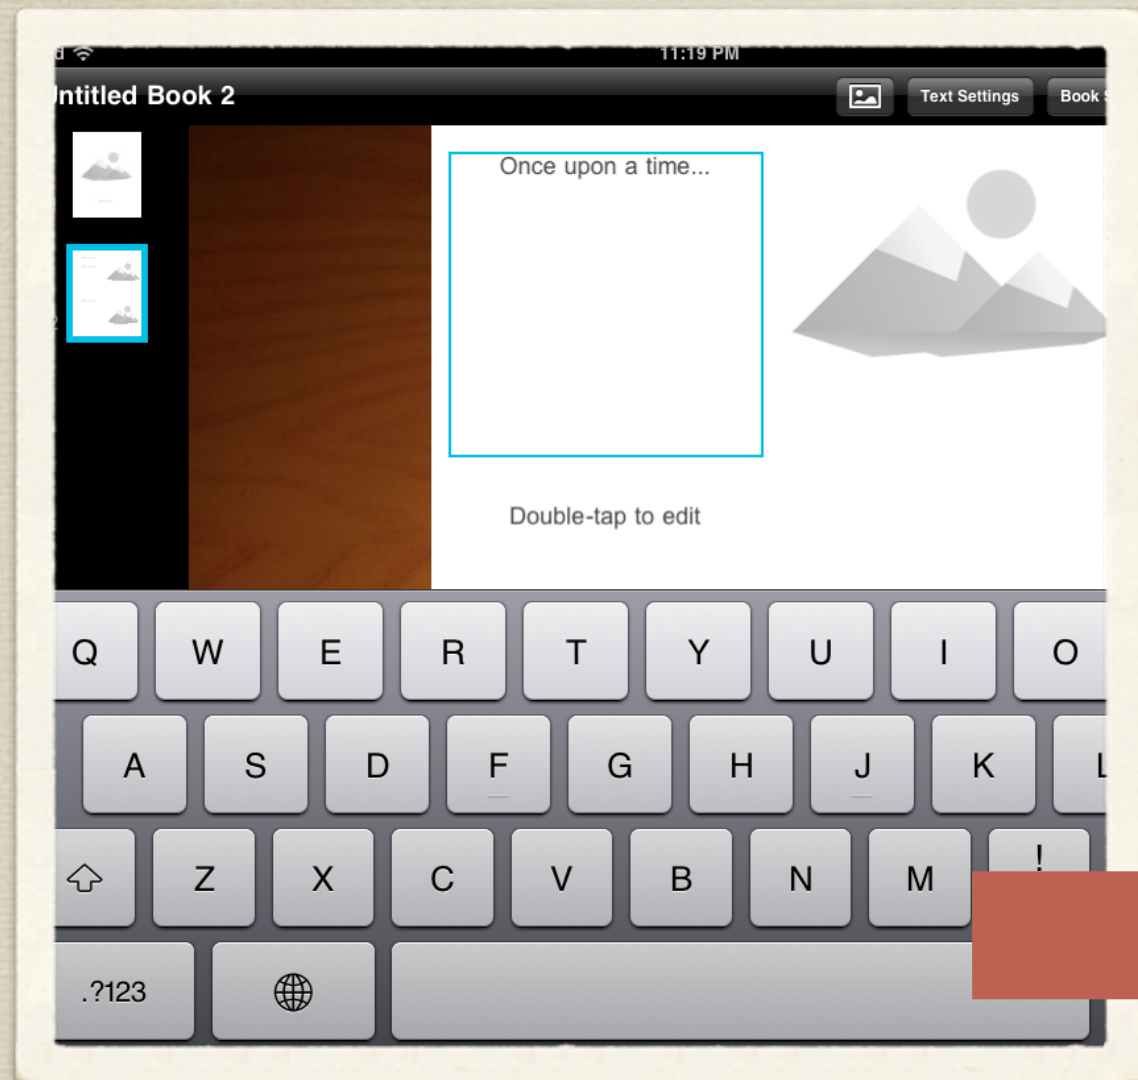

# Let's Get Started!

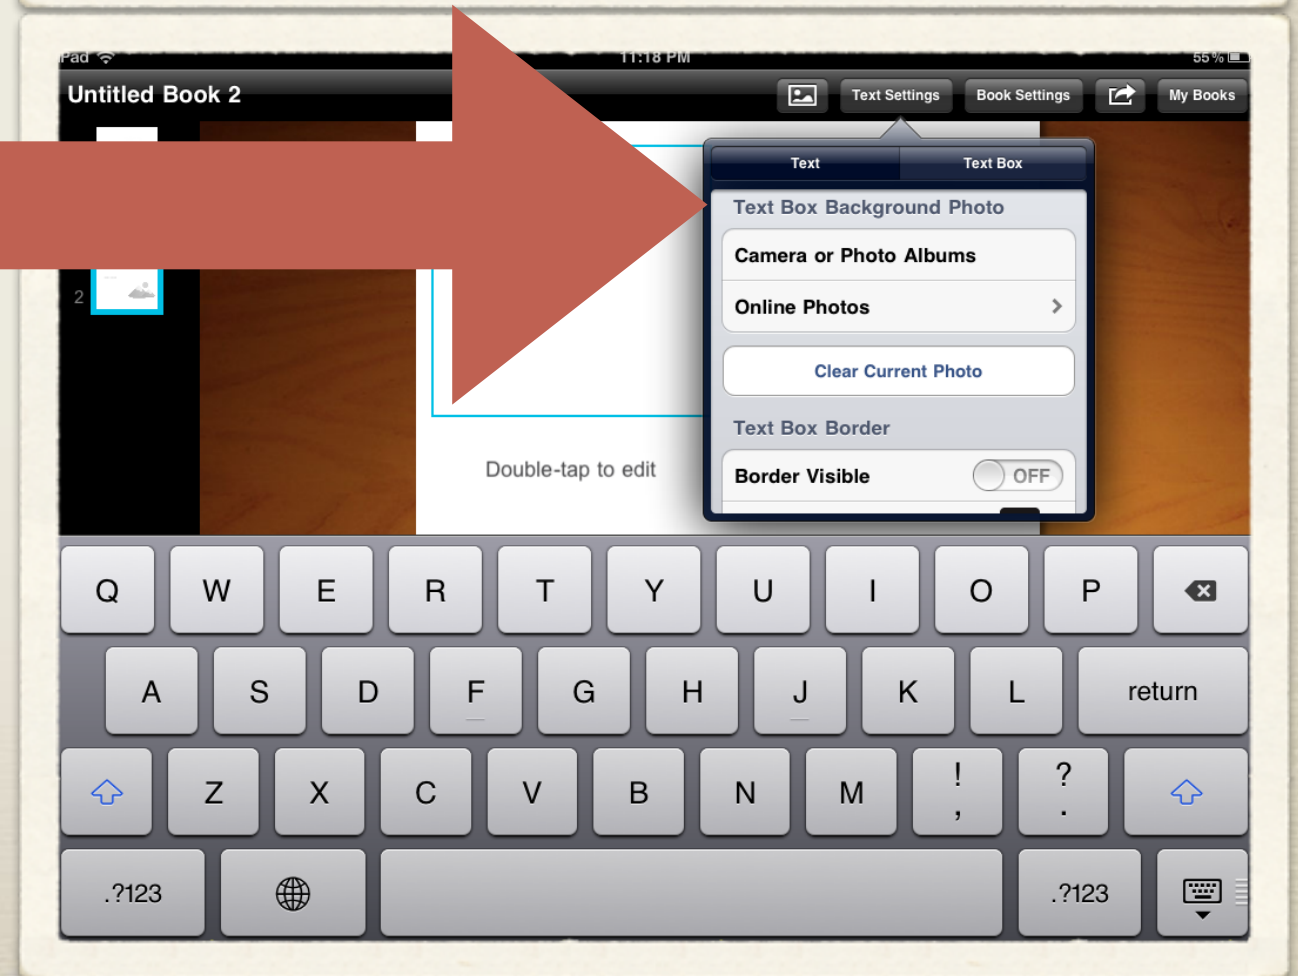

- \* Open the app
- \* Title page
- \* Choosing book pages
- \* Number of pictures, text boxes

# Text Boxes

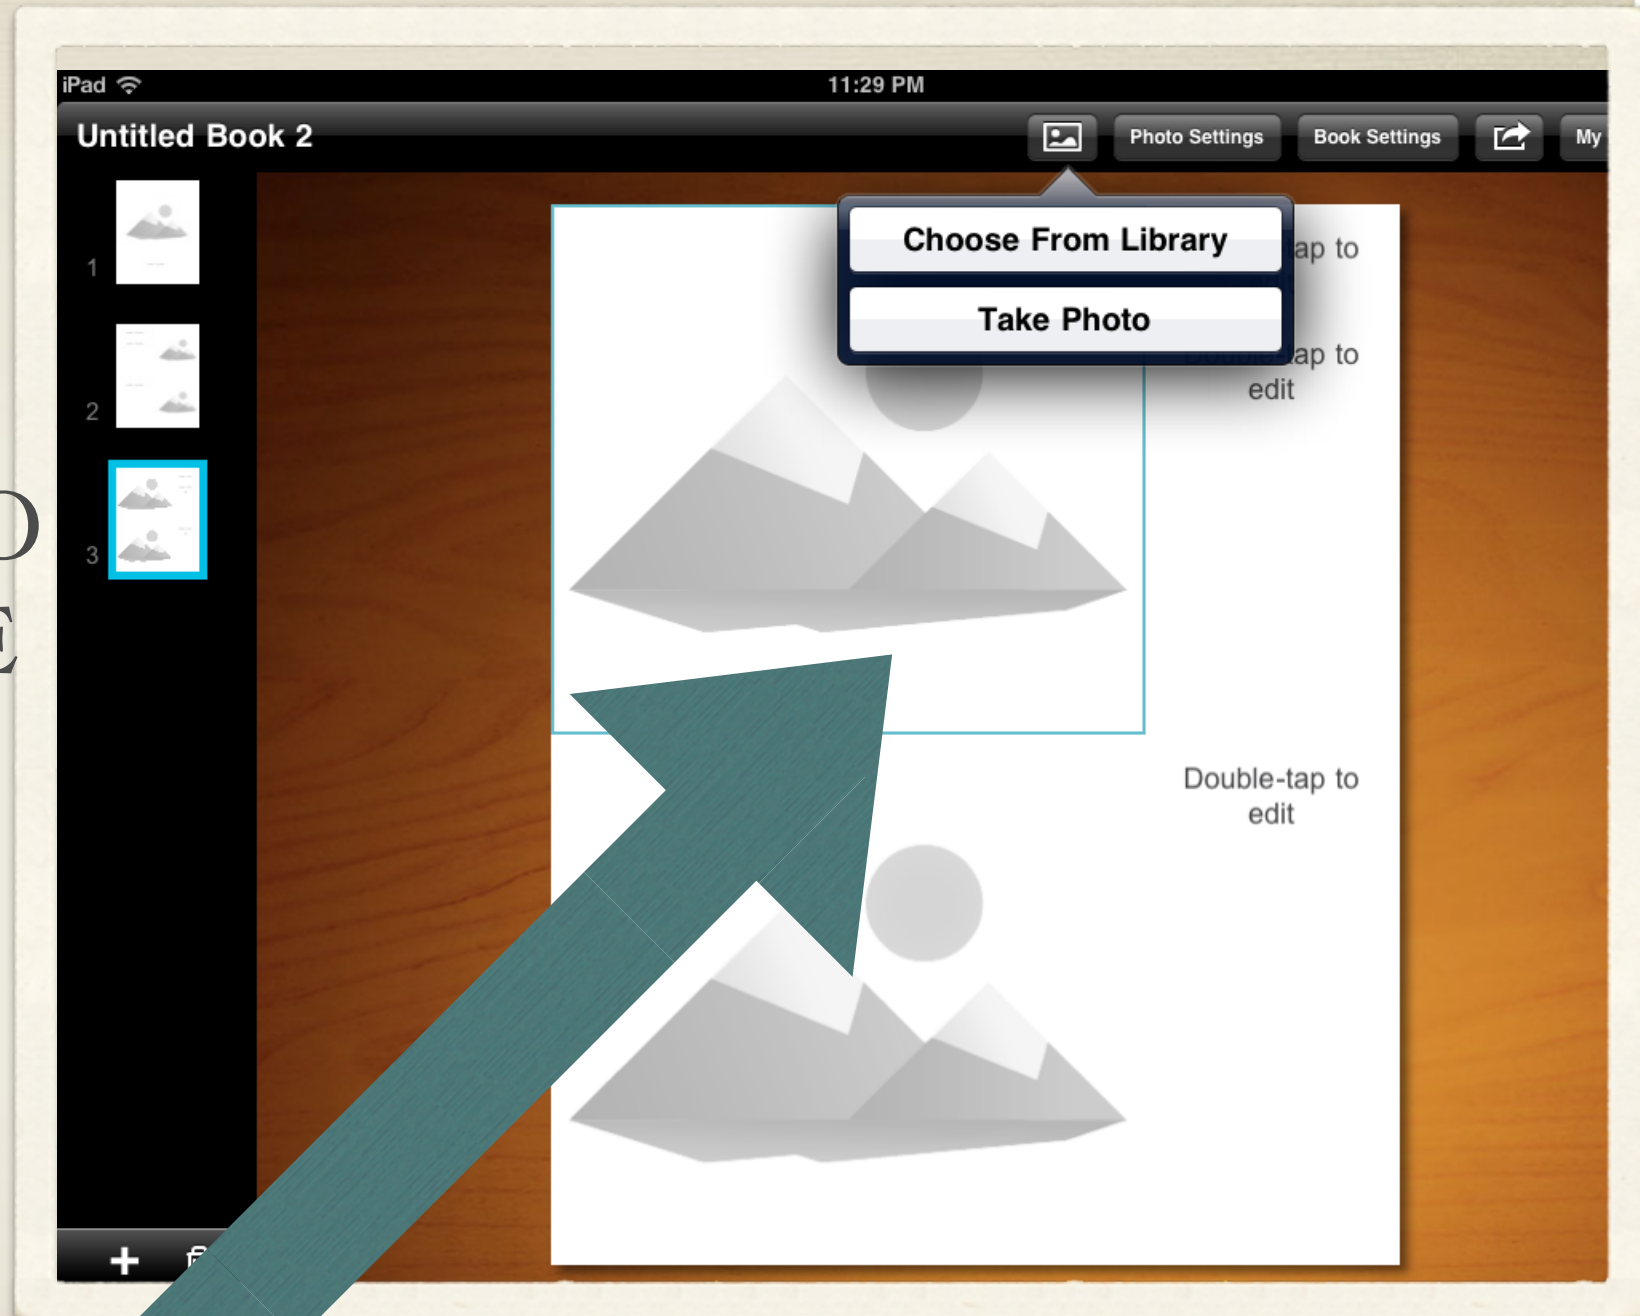

- \* Double tap to type text
- \* Change font, size, color

# Pictures

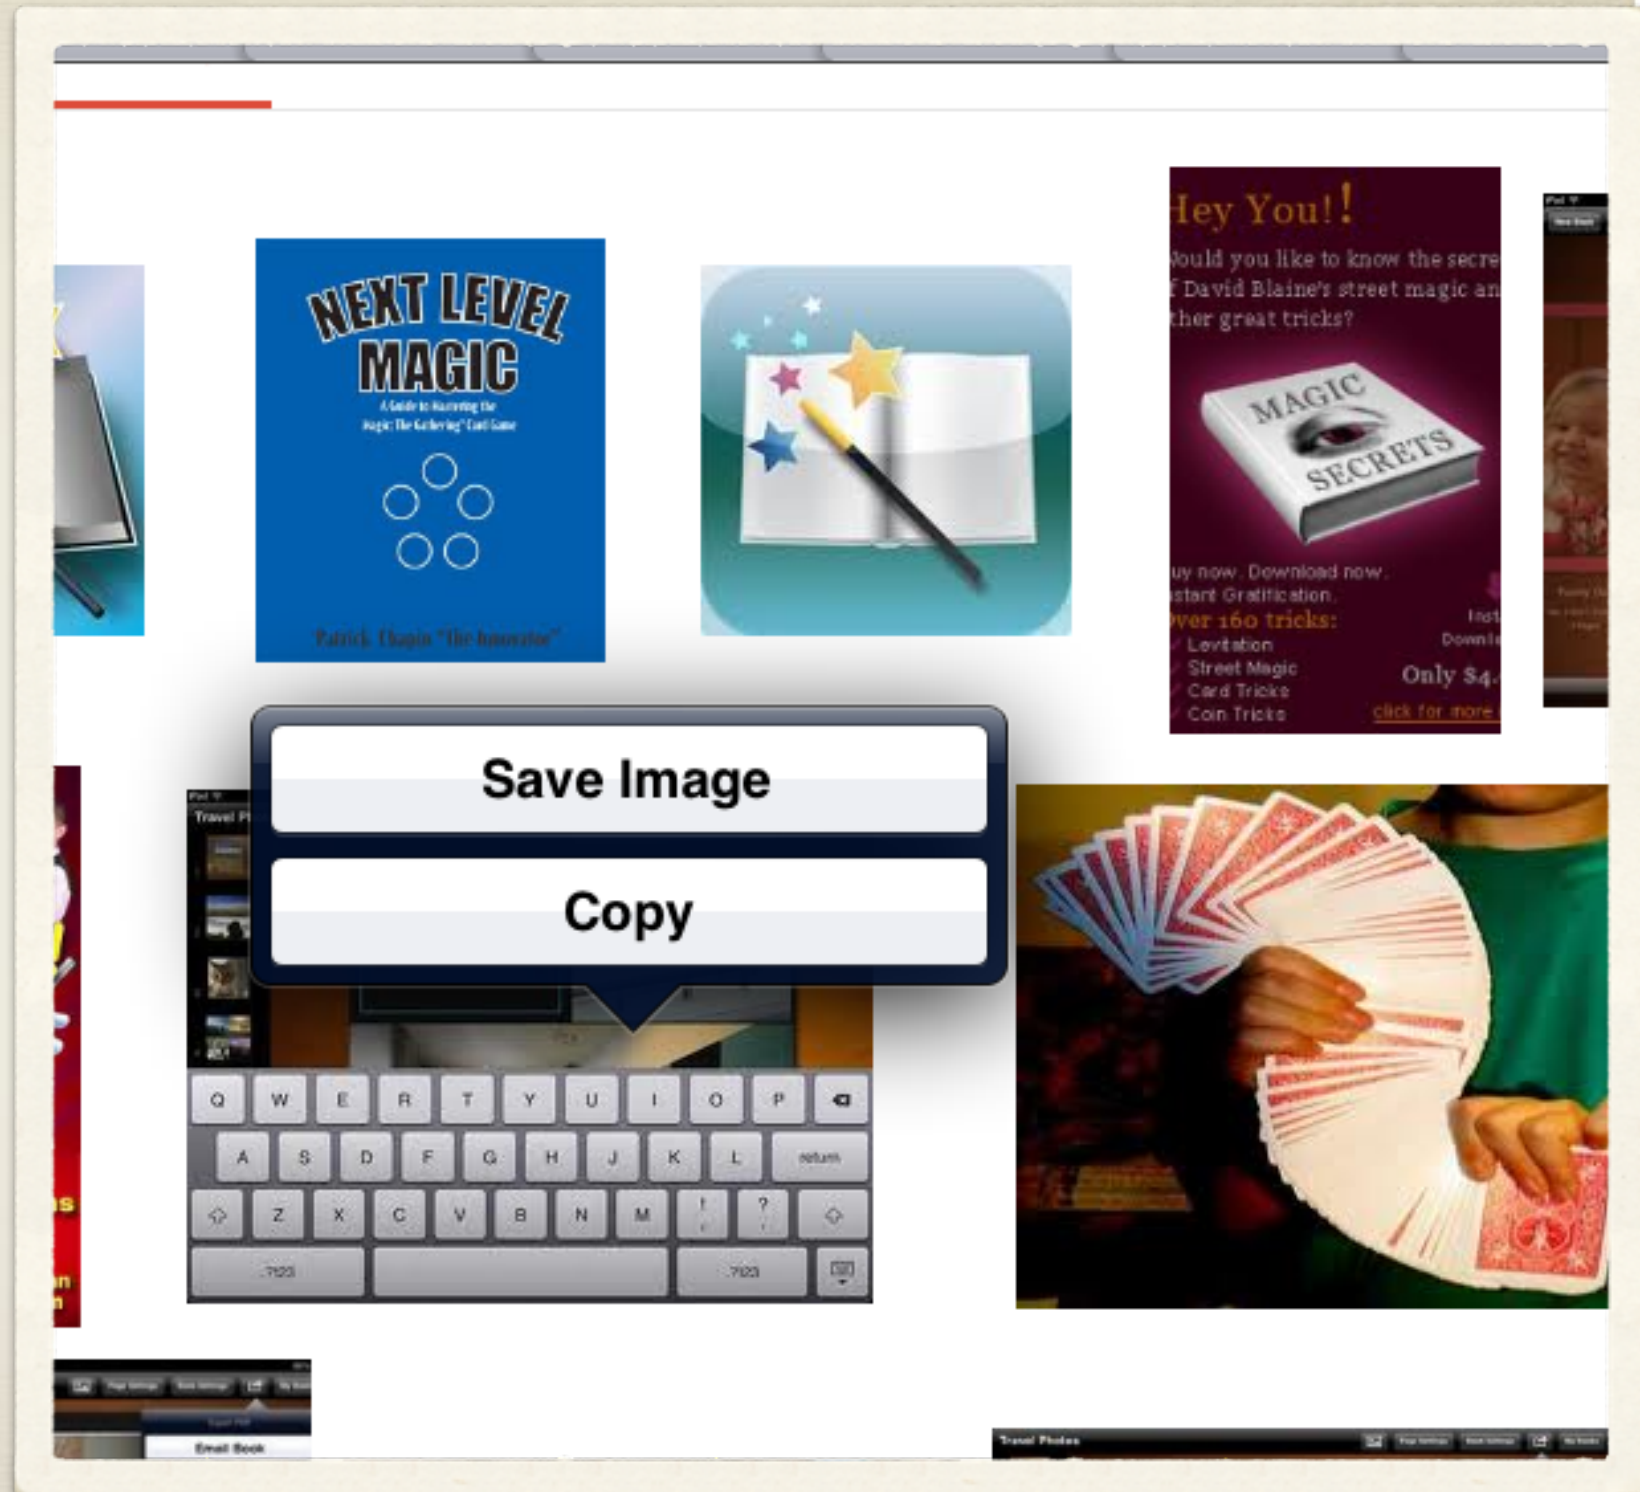

- \* The mountain and moon symbol
- \* DON'T FORGET TO TAP THE PICTURE BOX
- \* Resizing pictures - mask

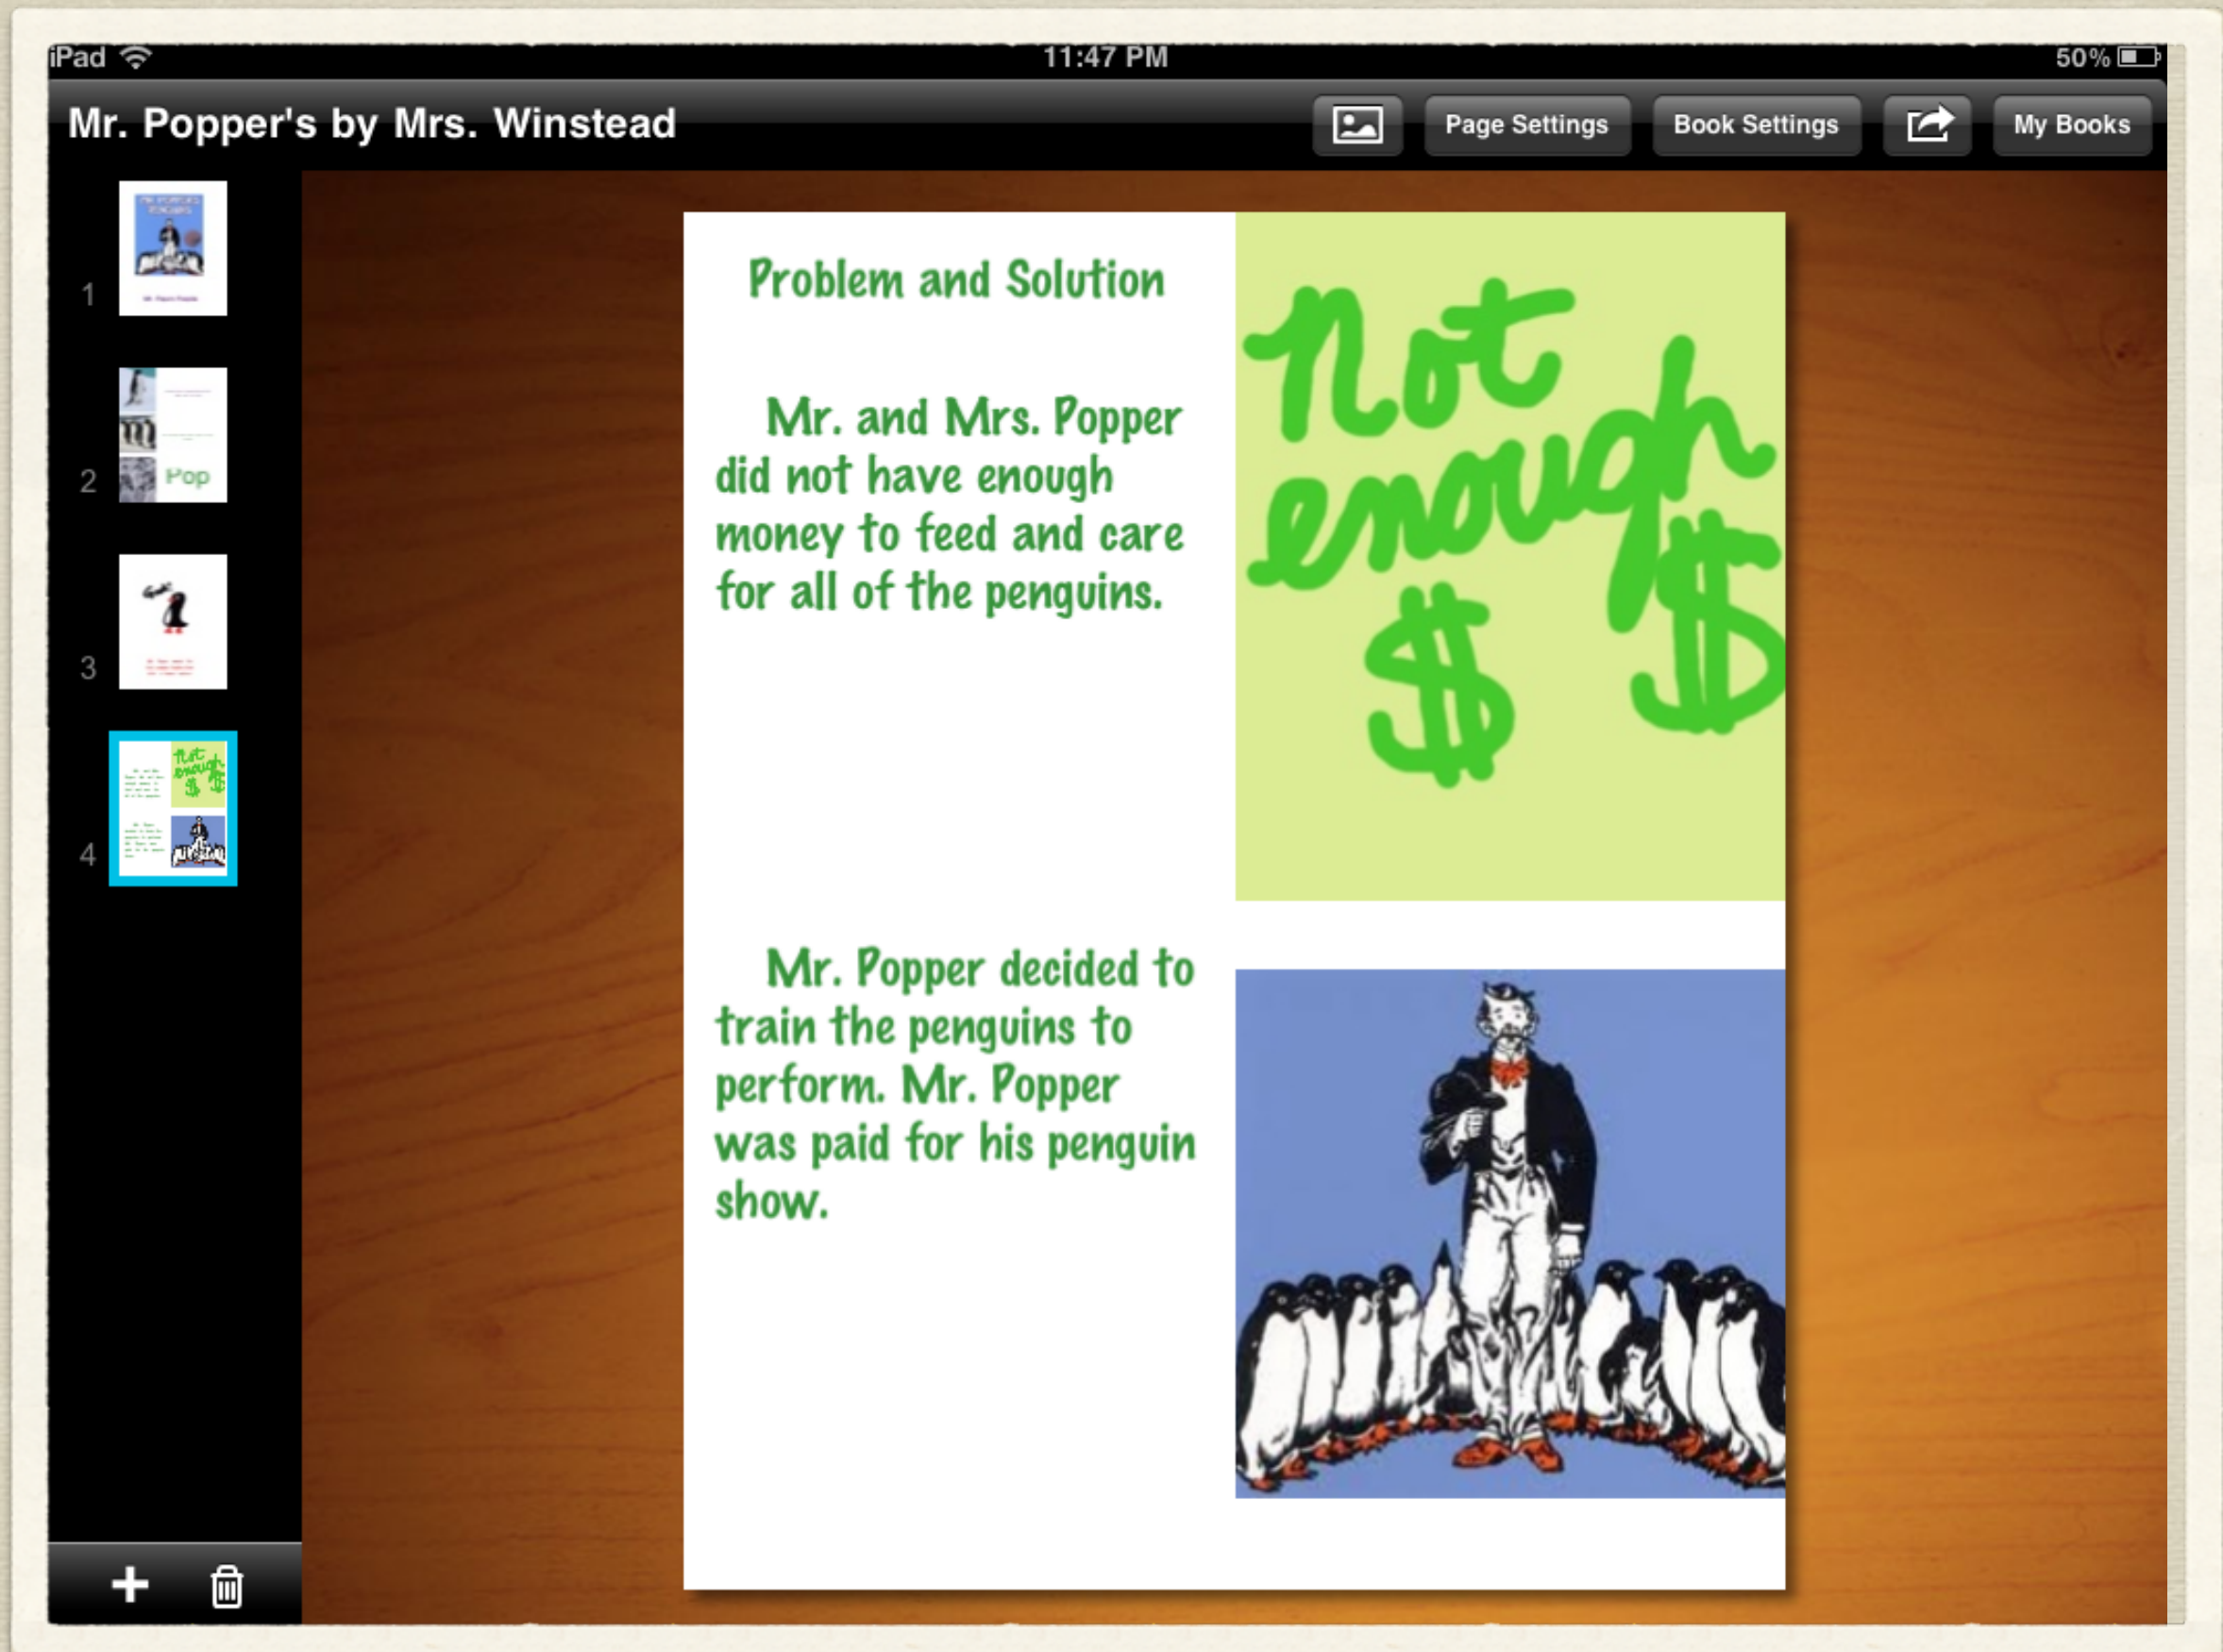

# Pictures

- \* Pictures for the books can come from the internet (Safari)
- \* Search and save to your camera roll, insert
- \* Pictures can be drawn in Whiteboard, saved to your camera roll, and inserted

# Pictures

# Let's Make a Page

- \* Topic: Your favorite animal
- \* Choose a page with two picture boxes and one text box
- \* Find a picture of your animal on the internet, save to your camera roll
- \* Open Whiteboard, draw a picture of your animal, save
- \* Insert your pictures on your book page
- \* Write a brief paragraph about your animal. Change the font, color, and size of the text

# Activities

- \* Student books - very motivational for students to read books written by other students
- \* Study guides with illustrations created by students
- \* Science journal - take pictures of investigations and write about them
- \* Vocabulary journal

\* TITLE THE BOOK FIRST!

# Syncing student iPads using the mac

- \* Connect iPads to syncing cart
- \* Connect USB cord to the mac (listen for the sweet sound of the iPads connecting)
- \* Make sure "sync all books" is checked for each iPad

# Your Task

Create a book in eBook Magic that will be synced to your class iPads

Use a student iPad

- \* Create a book on a topic that relates to your grade level standards
- \* Title page - picture, title, and your name
- \* 3 book pages - each page must have one text box and one picture box
- \* One of your pictures should come from the internet and one from a whiteboard app
- \* Send to iBooks
